b. Termination for Nonappropriation. The continuation of this Contract beyond the current fiscal year is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the City. The City may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the City's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

c. Default or Breach. A default or breach may be declared with or without termination. The following shall constitute a default or breach:

i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

e. Winding Up Affairs Upon Termination. In the event that this Contract is terminated for any reason, the parties agree that the provisions of this paragraph survive termination:

i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the City;

iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the City; and

11. REMEDIES. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party's reasonable attorneys' fees and costs. 13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

14. INDEMNIFICATION. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the City from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged acts or omissions or misconduct of Contractor, its officers, employees and agents, but not excluding the City's right to participate.

15. INDEPENDENT CONTRACTOR. Contractor is associated with the City only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the City whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the City shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the City; (4) participation or contributions by either Contractor or the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the City. Contractor shall indemnify and hold the City harmless from, and defend the City against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, or representatives shall be considered employees, agents, or representatives of the City.

16. INSURANCE SCHEDULE. Unless expressly waived in writing by the City, Contractor, as an independent contractor and not an employee of the City, must carry policies of insurance in amounts specified below and pay all taxes and fees incident hereunto. The City shall have no liability except as specifically provided in this Contract. Contractor shall not commence work before:

- 1) Contractor has provided the required evidence of insurance to the City, and
- 2) The City has approved the insurance policies provided by Contractor.

Prior approval of the insurance policies by the City shall be a condition precedent to any payment of consideration under this Contract and the City's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of the City to timely approve the insurance policies or any changes to the insurance coverage shall not constitute a waiver of the condition.

Insurance Coverage: Contractor shall, at Contractor's sole expense, procure, maintain and keep in force for the duration of this Contract the following insurance conforming to the minimum requirements specified below. Unless specified herein or otherwise agreed to by the City, the required insurance shall be in effect prior to the commencement of work by Contractor and shall continue in force as appropriate until the latter of:

- 1) Final acceptance by the City of the completion of this Contract; or
- 2) Such time as the insurance is no longer required by the City under the terms of this Contract.

Any insurance or self-insurance available to the City shall be in excess of, and non-contributing with, any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by

CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR

Reliant Electric LLC

the City, Contractor shall provide the City with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by this Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the City and immediately replace such insurance or bond with an insurer meeting the requirements.

Contractor agrees, prior to commencing any work under this Contract, to complete and to provide the following written request to the qualified insurer:

Reliant Electric LLC

this Contract or otherwise. The City reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the nonenforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by the City, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations or duties under this Contract without the prior written consent of the City.

21. CITY OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under this Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the City and all such materials shall be delivered into the possession of the City by Contractor upon completion, termination, or cancellation of this Contract. CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR

Reliant Electric LLC

have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential," provided that Contractor thereby agrees to indemnify and defend the City for honoring such a designation. The failure to so label any document that is released by the City shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

23. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this Contract:

a. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. 24. LOBBYING. The parties agree, whether expressly prohibited by federal, state or local law, or otherwise, that no funding associated with this contract will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

a. Any federal, state, county or local agency, legislature, commission, counsel or board;

b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or

c. Any officer or employee of any federal, state, county or local agency; legislature, commission, counsel or board.

25. WARRANTIES.

a. General Warranty. Contractor warrants that all services, deliverables, and/or work product under this Contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.

27. GOVERNING LAW; JURISDICTION. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-law that would require the application of the law of any other jurisdiction. Contractor consents to the jurisdiction of the State of Nevada district courts for enforcement of this Contract.

28. ENTIRE CONTRACT AND MODIFICATION. This Contract and the Attachments constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an Attachment specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such Attachment and this Contract shall be construed consistent with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto.
