**Discussion and Possible Action to Approve the Second Amendment to Contract for Services of Independent Contractor Between JNA Consulting Group, LLC and the City of Fernley.**

On July 16, 2014, City Council approved Resolution No. 14-020, which included authorizing and deeming JNA Consulting Group, LLC. as the City's independent registered municipal advisor. Services provided by JNA Consulting Group, LLC. consist of offering independent financial advice and consulting services related to City debt. JNA has provided an engagement letter for the scope of work related to the City of Fernley, Nevada, General Obligation (Limited Tax) Water and Sewer Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2020.

**Recommended Motion:**

**I move to approve the Second Amendment to Contract for Services of Independent Contractor Between JNA Consulting Group, LLC and the City of Fernley."**

**Business Impact (per NRS Chapter 237):**

A Business Impact Statement is Attached.

A Business Impact Statement is not required because this is not a rule (term excludes vehicles by which legislative powers are exercised under NRS Chapters 271, 278, 278A, or 278B).

**See attached report for background, analysis, alternatives.**

**ALTERNATIVES:** To not approve the contract.

**BACKGROUND:** This contract is for services rendered for the purpose of refunding the Water and Sewer bond series 2014 for debt service savings. The current balance of \$12,120,000 is amortized at a rate of 2.48% through 2/1/2026. The City has an opportunity to refinance these bonds at a lower rate and save approximately \$400,000 in interest over the remainder of the term. This will be accomplished as the City's bond consultant/advisor has requested competitive bids from the banks to see which will provide the best rate at this time. Please see the attached engagement letter for the scope of services.

**LEGAL IMPLICATIONS:** NRS 268.672 to 268.740 and NRS 350.500 to 350.720

**FINANCIAL IMPLICATIONS:** Savings of water and sewer interest costs of approximately \$400,000 and JNA bond issuance costs between \$25,000 and \$30,000.
