**NEVADA SYSTEM OF HIGHER EDUCATION
DECLARATION OF SELF INSURANCE**

JANUARY 2020

The Nevada System of Higher Education (NSHE) is self-insured for general, professional and automobile liability exposures funded by the State of Nevada. The self-insurance program is administered by the Nevada Attorney General's Office. Claims are handled in accordance with Chapter 41 of the Nevada Revised Statutes. Under Chapter 41, claims against the State of Nevada and NSHE are limited to \$100,000 per cause of action. There is no per occurrence cap on claims. In addition, the State and NSHE have a Special General Liability Policy in excess of \$3,000,000 with a limit of \$10,000,000.

To the extent that NSHE is self-insured and has to contractually agree to insurance requirements within self-insurance limits, State of Nevada and NSHE will maintain sufficient assets to cover insured losses if they occur. Under the self-insurance program, NSHE is not able to issue individual certificates of insurance or add an Additional Insured.

NSHE is self-insured for its property damage exposure including buildings, contents, equipment, libraries and fine arts, etc. Claims are administered through the Chancellor's Office. NSHE can extend property insurance coverage required by a contract for loaned, leased or rented property via the excess property insurance carrier. A property insurance certificate naming the contractor as loss payee can be provided upon request.

NSHE is self-insured for their Workers' Compensation exposure under the provisions of §616B.300 and §616B.312 of the Nevada Revised Statutes. Excess insurance is available through Safety National. Workers' compensation claims are administered by Cannon Cochran Management Services Inc.
