Section 6. Section 32.09.035(g) – List of qualified appraisers is hereby added as follows:

(g) List of qualified appraisers.

- (1) Purpose. The purpose of this provision is to meet the minimum requirements set forth by the legislative mandate of Assembly Bill No. 312, as amended by Senate Bill No. 394 of the 73rd Session of the Nevada Legislature, and as further amended by Assembly Bill No. 462 of the 74th Session of the Nevada Legislature. To comply with that legislative mandate, the council adopts an ordinance establishing the procedures for creating and amending a list of appraisers qualified to conduct appraisals of real property offered for sale or lease by the city.*
 - a. This provision applies when the city is offering real property for sale or lease except as otherwise provided by state law, including, but not limited to, those exceptions contained NRS 268.059.*
 - b. This provision does not create a legal right, including, but not limited to, a property or other constitutional right, to be placed upon the established appraisal lists or to be awarded a contract for professional services.*
- (2) Procedure.*
 - a. The director shall obtain from the state real estate division a list of all general appraisers qualified to act as a general appraiser in the county.*
 - b. The director shall send a request for qualification to each appraiser on the list to determine if the appraiser is interested in performing appraisals for the city under terms and conditions stated therein, and what types of appraisals the appraiser is qualified to perform based on training and experience. An appraiser who fails to respond to the request for qualifications to the satisfaction of the director shall not be placed on the list.*
 - c. From the responses to the requests for qualifications, the director shall prepare the following five lists:*
 - 1. Residential appraisers;*
 - 2. General commercial and/or industrial appraisers;*
 - 3. Ranches appraisers;*
 - 4. Open space appraisers; and*
 - 5. Water rights appraisers.*
 - d. The names on the five lists set forth in subsection (2) c. of this section must be organized in a random order in a fashion determined by the director.*
 - e. To create the five lists set forth in subsection (2) c. of this section, the following standards shall be used to determine minimum qualifications:*
 - 1. The appraiser must possess all necessary licenses;*
 - 2. The appraiser must not have violated professional appraiser standards or statutory requirements in the performance of appraisals or cannot have been disciplined or fined by any state or federal agency for conduct that relates to the ability of the appraiser to perform the work to be required by the city;*
 - 3. The appraiser must have the ability to obtain and maintain insurance coverage as required by the city;*
 - 4. The appraiser must have the professional qualifications and experience for the specific appraisal required by the city;*
 - 5. During the five years immediately preceding the date of the appointment by the city, the appraiser cannot have filed as a debtor in a business capacity under the provisions of the United States Bankruptcy Code or breached any contract with a public agency or person*

in this state or any other state;

6. *The appraiser's application must be truthful and complete; and*
 7. *The appraiser must execute the application form and consent to and have the ability to satisfy all terms and conditions contained in any proposed contract for appraisal services presented by the city.*
- f. *Appraisers on the lists shall keep the director informed of any change in the status of standards listed above in subsection e., 1 through 7 of this section. The change in the appraiser's status or failure to maintain the minimum qualifications is cause for immediate removal from the list by the director. The director shall provide written notice to any appraiser of his removal.*
 - g. *The names of appraisers who are organized in a firm of appraisers may be placed on the list independently if each is independently qualified. No two appraisers from the same firm can be selected to appraise the same real property. An appraiser who cannot be selected because of an appraisal firm relationship retains his place on the list for the next appraisal required by the city.*
 - h. *From time to time the director shall obtain a new list from the state real estate division and follow the procedures of this article to assemble a new list. An appraiser whose name is stricken from the list as required by this section may be added to the new list if properly qualified and responsive.*
- (3) *Appraiser selection process.*
- a. *When an appraisal is required for the sale or lease of real property owned by the city, the director shall send a request for proposal to the appraiser whose name is next on the list for the type of property appraisal required, and who has not been hired by the city for an appraisal since the last time the list was assembled or reordered.*
 - b. *The request for proposal shall identify:*
 1. *The property to be appraised;*
 2. *The desired terms and conditions of appraisal; and*
 3. *The requirements for the response to the request for proposal.*
 - c. *The response from the appraiser must include:*
 1. *A statement of specific qualifications to do the type of appraisal required;*
 2. *A proposal complying with the terms and conditions of the request;*
 3. *The names of other appraisers in the appraiser's firm, if any;*
 4. *A statement that the appraiser is not related within the first degree of consanguinity or affinity to any person who has an interest in the real property or an adjoining property; and*
 5. *A disclosure statement which includes, without limitation:*
 - A. *All sources of income that may constitute a conflict of interest;*
 - B. *Any prior appraisal by the appraiser of the subject property; and*
 - C. *Any relationship of the appraiser with the city, the owner of the subject property or the owners of any adjoining property to the one being appraised.*
 - d. *If an appraiser responds to the request in terms that are responsive and satisfactory to the director, the appraiser's proposal shall be presented to the council which shall verify the qualifications of the appraiser. The determination of the council as to qualifications is conclusive. An appraiser's name shall be stricken from the list for the type of appraisal requested if the appraiser does not satisfactorily respond to the request as determined by the director or if the council declines to verify the appraiser's qualifications.*
 - e. *The director shall use the list and repeat the selection procedures until the council approves an appraiser. To expedite the selection process, the director may send a request for proposal to more than one appraiser on the list. Those appraisers who respond but are not selected shall retain their places on the list. The director may also send the names of more than one appraiser to the council but shall report to the council the order of the appraisers on the list.*
