

AMENDMENT B

TO THE CONTRACT FOR INDEPENDENT CONTRACTOR SERVICES BETWEEN THE CITY OF FERNLEY AND LUMOS & ASSOCIATES, INC.

This Amendment B to the Contract for Independent Contractor between the City of Fernley and Lumos & Associates, Inc. (“Lumos”) is entered into this 17th day of February 2021, by and between The City of Fernley (“City”), and Lumos & Associates, Inc. (“Lumos”); also referred to as “The Parties.”

On the 7th day of August 2019, the City and Lumos entered into a Contract for services related to Engineering Services for planning, design, and oversight for two monitoring wells at the City of Fernley East Wastewater Treatment Plant. The parties hereby wish to amend the contract as follows:

Description of Modifications:

Lumos to assist City in coordinating and completing an application for a major modification to the City’s WWTP discharge permit (as required by NDEP for the new Monitoring Wells #11, 12, and 13). Lumos will prepare the application via NDEP’s WPC e-Permitting System and upload supporting info as required (location maps, well logs, etc.). Lumos will also attend up to two coordination meetings with the City and NDEP. The work will be performed on a time and materials basis not to exceed \$6,510. This will bring the total amount of the contract to \$56,990. (see attached Addendum 2 for specific scope changes).

Additionally, the existing contract terms will continue to June 30, 2022, as the

scope of services for this portion of work have extended into the next fiscal year (FY 2021/22) due to conditions beyond the control of Lumos or the City.

The Parties hereby approve and consent to the Amendment changes above. All of the other terms and conditions in the Contract that are not modified by this Amendment B, shall remain in full force and effect.

Each signatory for the Parties below has read the Amendment B, agrees to be bound by said document, and has the authority to bind their respective entity as listed.
