**City of Fernley  
Plan Review and Building Inspection Services**

The City of Fernley requires additional resources to augment their Building Department. In particular, the city needs assistance with plan review and inspections of commercial and industrial projects. Farr West Engineering will provide qualified individuals to perform plan review and inspection services on an as-needed basis. Farr West's staff of plan reviewers and inspectors are currently located in Yerington and Dayton and provide these same services to Lyon County and the City of Yerington under a similar contractual arrangement.
