**Subject: Fernley EWWTP Potable Waterline; Recommendation of Award**

Dear Mr. Pleitez:

Please consider this Recommendation of Award for the City of Fernley EWWTP Potable Waterline Project. The project was put out to bid on June 3<sup>rd</sup>, 2021 and bids were received and opened on July 1, 2021. Four (4) bids were received in person ranging from a low bid of \$832,000.00 to a high of \$1,509,091.75.

After review of the bid submissions, Lumos has determined that the low bidder, A&K Earth Movers, holds a Nevada contractor license, has all the necessary requirements for the project, is in good standing, and has submitted a responsive and responsible bid package.. Therefore, Lumos & Associates (Lumos), recommends the City of Fernley award the EWWTP Potable Waterline Project to A&K Earth Movers for a total of \$832,000.

If you have any questions, please do not hesitate to contact me at 775.883.7077.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Micah Laack'.
