BACKGROUND:

The City of Fernley has established liquor license procedures. Applicants are required to submit for a background check that is performed by Lyon County Sheriff's Department. The LYSD recommended approval for Doval Hopper III, based on the information provided in his background investigation. The background information is confidential and cannot be distributed.

This approval will allow the establishment to operate under two separate liquor licenses. The first license will allow for retail sales and off-site consumption of manufactured beer. The second license will allow the on-site sale of beer.
