BACKGROUND:

See

The City previously entered an agreement to exchange property with Lyon County to facilitate development of a new senior on property owned by the City. Construction of the new senior center has now been completed and the County has transferred the old senior center property to the City. To complete the exchange, the City was required to adopt a resolution and set a public hearing to consider comments from the public pursuant to NRS 277.050.

On January 5, 2022, the City adopted Resolution # 22-001 to declare its intent to exchange property with the County and setting the public hearing required by NRS 277.050 for today's meeting of the City Council. Notice of this public hearing was published in the Reno Gazette Journal on January 10 and 11, 2022.

ANALYSIS:

The property to be conveyed consists of approximately 2.2 acres located at 105 Lois Lane (APN 021-103-57). The County has completed construction of the new senior center on Lois Lane and has demolished the old senior center, which was located at 1170 W Newlands Dr (APN 020-321-01). The County subsequently transferred the Newlands Dr property to the City on September 21, 2021.

NRS 277.050 and NRS 277.053 authorize the City to exchange property with other public agencies without advertising for public bids and without an appraisal if the properties continue to be used for public purposes. In accordance with NRS 277.050, the City has adopted a resolution of intent to exchange property with the County and is holding the required public hearing.

After receiving public comments on the proposed exchange, the City may vote to approve the transfer of 105 Lois Lane (APN 021-103-57) to the County.

LEGAL IMPLICATIONS:

See above analysis as well as NRS 277.050, NRS 277.053
